

Dr. Harry L. Snyder, a Corporate Scientist of Systemetrics, Inc. will serve as Principal Investigator for this contract. He will be assisted by Drs. Walter W. Wierwille and Robert C. Williges. Minor support will be provided by a research associate and secretary for literature screening and report preparation, respectively. Only Drs. Snyder, Wierwille, and Williges will have access to classified information and require agency clearances.

Resumes of Drs. Snyder, Wierwille, and Williges are attached.
